

Progressions Community Involvement Support Procedure

Our guidelines help Progressions Credit Union assure that donations are used in ways that best serve the majority of our membership. These guidelines may not cover every possibility, special need or opportunity, and Progressions may make exceptions when considering donations.

Contributions/Donations

We give primary consideration to non-profit (i.e., 501c3) organizations with initiatives that support Progressions Credit Union's objectives of providing financial solutions, financial education and/or improving people's financial well-being.

Community Sponsorships

Progressions Credit Union considers for sponsorship only those civic, recreational or charity events, programs and directories located within our member service area. By sponsorship, Progressions Credit Union will in turn be guaranteed published advertising or public name recognition from the organization or group requesting sponsorship.
